

BEST FOOD GARDEN – GLEN INDUSTRIES – KARINYA RESIDENTS

Well we have been busy planting, watering, a little bit of socializing, and harvesting at the **Glen Innes Patch** at The BEST Food Garden in Inverell. Despite some minor challenges, something nibbling our Zucchini's, things are growing well. Harvest has begun and we will be making our **FIRST DELIVERY** to the Common Room for Karinya Residents in the afternoon on **Wednesday 7th January 2015**. We hope to have some tomatoes, cucumbers, zucchinis, onions and corn.

Below is a little update on what we have been up to since meeting with you.

8th October

On 8th October a team from Glen Industries; Shane, Nathan, Danny, Sherree, Janelle, Jo, Kylie & Susan, travelled to Inverell to plant Tomatoes, Cucumbers and Zucchini's in the Glen Innes Patch at the BEST Food Garden.

We were joined by residents from McLean Care Retirement Village, KCL Daycare kids, Brighter Access and a host of carers and supporters.

John and Shirley Page travelled over for the day and caught up with some familiar faces.

4th November

On the 4th of November Janelle and Barbara headed over to Inverell with Jo & Kylie and picked and hung onions with the Year 7 students of Holy Trinity School.
